Brands

A stylized illustration of a tree branch, possibly a willow, with a hollowed-out section. The branch is rendered in a dark brown color with fine lines indicating the wood grain. The hollowed-out section is a large, irregular shape that frames the text on the right side of the image. The branch enters from the top left, curves around the top right, and then curves back down towards the bottom left.

## A TRULY EXCEPTIONAL COLLECTION

*A delicately light and low in calories collection of mixers,  
precisely crafted to flatter the spirit of any occasion.*

### CLASSIC LONDON TONIC WATER

*A precise balance of sweet citrus  
notes, pleasantly bitter quinine and  
distilled juniper essence.*

*We recommend pairing this  
modern classic with London dry  
gins, grain based vodkas and  
even aged rums.*

### GRAPEFRUIT & ROSEMARY TONIC WATER

*A precise balance of crisp  
grapefruit oils and distilled  
rosemary essence, with a hint  
of quinine.*

*This pairs well with citrus led gins  
and, if you feel adventurous,  
discover how it complements the  
bitterness of aperitifs.*

### BITTER ORANGE & ELDERFLOWER TONIC WATER

*A precise balance of tangy orange  
oils and distilled elderflower  
essence, with a touch of quinine.*

*This complements the  
ever-expanding range of juniper  
heavy gins, grape or rye based  
vodkas and, more innovatively,  
reposado tequilas.*

### DELICATE LONDON GINGER ALE

*A precise balance: steeped ginger  
root with background notes of  
distilled aniseed essence.*

*We suggest pairing this with  
a variety of blended whiskies or,  
for a contemporary take,  
try it with a cognac.*

### PERFECTLY SPICED GINGER BEER

*A precise balance of steeped ginger  
root, background notes of spice and  
a distilled essence of hops.*

*A wonderful combination with  
vodka, dark rum, bourbon, or try  
with añejo tequila for a twist.*

### DELICATE SODA WATER

*A precisely balanced and filtered  
soda water.*

*Pair with whiskies to create  
a smooth finish.*
